## Summer Programme 2010

**Fun activities for 4 to 11 year olds from 5<sup>th</sup> July to 13th August 2010**

---

This is a non-academic programme aimed at allaying the potential boredom and isolation that a long holiday in Singapore can bring about when most friends are away. There will be games, drama, arts & crafts, field trips around Singapore and other age-appropriate activities for all students who attend.

### Course Dates and Times

The Programme will run for a six-week block from Monday 5<sup>th</sup> July to Friday 13th August 2010. Please note that the final week is a 4-day programme beginning on Tuesday 10 August 2010 as Monday 9<sup>th</sup> August is a Public Holiday for Singapore's National Day (see note re fee at b. below)

Sessions will run from Monday to Friday, 9.00am to 1.00pm, inclusive of a 45 minute lunch break from 12.15am to 1.00pm.

Students may enroll for a period of anywhere from one to six weeks.

### Costs

- a. There is a registration fee for the whole or any part of the programme of \$100 per child. This fee is waived for students already registered at Chatsworth.
- b. Programme fees are \$350 per week, or a discounted rate of \$1900 for the six-week block. For the week beginning Tuesday 10 August the fee is \$280.
- c. All fees are inclusive of the 7% GST and daily lunch

Please note: Transport to and from school is available through the school bus company - **BT & Tan Transport Tel: 6737 0330**. Older students may prefer to travel by service buses or MRT as buses stop very close to school and the Somerset MRT station is very close by.)

### General

Priority will be given to Chatsworth students **provided that they are enrolled by 1<sup>st</sup> June 2010**

As teachers for the summer programme need to be engaged well in advance of the start date, it may be that parents who do not enroll **by 1<sup>st</sup> June** may find that no places are available as, by then, teachers may have made other arrangements. The programme will run subject to sufficient enrolment.

As the programme takes place during the long holiday, many Chatsworth teachers will be out of Singapore for all, or part, of this time. Please be aware that there may be changes in the teaching staff during the six-week block and that temporary teachers may be employed.

Places can only be reserved on payment of the registration fee (if applicable) and submission of the registration form. All programme fees must be paid in advance.
